1250 & Above	Air	Air	Air	Air

Note: Upto 1000 KM's where the employee uses his own vehicle, the company will reimburse at the rate of Rs. 12 Per KM

4.1 Accommodation for Domestic Travel (Per Day)

Location Travelled to	Expense Type	Software Engineer Trainees/Associate Consultant/Consultant/Sr Consultant	Lead/Architect/Manager/Sr Manager/Director & Above
All locations except Mumbai & Delhi/NCR	Accommodation (Lodging with GST bills if booked by self)	4000	6000
Mumbai & Delhi/NCR		6000	9000
Laundry Expenses	At actuals for stay exceeding 5 days		

Note: These are the maximum permissible amounts (excluding taxes) and one (employee or the travel desk) should endeavor to get the best deals well within these limits

4.2 Mode of transport for client meetings (Domestic)

If an employee is required to travel for client meetings, he/she may opt to use own vehicle and claim for mileage reimbursement as below:

- Two-Wheeler: Rs. 8/- per kilometer
- Four-Wheeler: Rs. 12/- per kilometer

In the absence of their own vehicle, employees may also arrange to hire a rental car and claim such expenses as reimbursements.

5.0 Submission of expense bills

All expenses must be submitted in the Replicon on or before 20th of every month.

- For Domestic travel, all expenses must be submitted in Replicon with proper supporting bills (Original bills).
- Employees must retain all boarding passes which are to be submitted along with the travel settlement form once travel is completed, this is a mandatory requirement.
- Final settlement should be made within 15 days of their return from the onsite assignment

6.0 Travel due to personal emergency

If working in a client location and an employee needs to travel back to the base location due to a personal assignment or emergency, he/she shall bear the cost of travel and related expenses.

NOTE:

- **If the travel expenses are reimbursed by the customer, one should follow the customer travel policy**
- **Per diem for domestic travel is as per each client specifications which can be clarified at the time of travel**
